

TALKS & DEMONSTRATIONS

Facilitated by:

Lynne E Ridley BEHD BAF reg.

Senior Bi-Aura Therapy Consultant

The Bi-Aura Team will carry out a talk and full demonstration of the techniques in any part of the U.K.

We need at least 15 to 20 people interested.

-
- About the Bi-Aura Foundation, therapy & training
 - Understanding the energy matrix and its influence at every level
 - Chi Kung induced energy flow
 - Seeing, and sensing energy
 - Working with Chakras
 - **Full Bi-Aura therapy session demonstration**

These talks & demonstrations are designed to provide an insight into the theory of energy therapy and to create an awareness of how we unconsciously influence our lives on every level. Well documented on T.V. and by the press, **Bi-Aura Therapy** is a contemporary adaptation of an ancient approach to healing that helps the human body to utilise its own extraordinary power to regenerate and heal. It is safe, relaxing, non-invasive and has achieved astounding results with many debilitating conditions, physical and emotional such as asthma, migraine, chronic fatigue, depression, back pain and stress related ailments.

“The most powerful and clinically effective complementary energy therapy I have witnessed”
